Importance

- The most important part of your application, with a doubt is your **GPA**.
- The interesting point is that your research abilities and activities can **cover** your poor GPA.
- So a meaningful conclusion is that you need at least one of these two if you want to go to your dream school 😊
- **DON'T WORRY!!**

GPA

- OUT of 20? Out of 4??!! How to convert? :-s
- Last two years?!
- Relevant Courses?!
- Is my GPA high enough?!
- How to MAST MALIII :D

GPA (cont'd)

 - Try to find hot topics
 - Work hard
 - Future!!!!
- *Paper*, where to begin? :-s

Research (cont'd)

- Please note that...
 1. Some projects are sensitive!!!
 2. Think about your future !!

Recommendation

- Online, Offline?!
- How to talk to professors about recomm. ? :D
- Limits?
- Some notes about its procedure
 - Deadline
 - Write it yourself!!!!

Recommendation (cont'd)

- Importance!!
- The formation!!! :D
- Strong or Weak?
- CONNECTIONS :D
