

B.S. vs. M.S.

B.S.:

- ❑ Some Universities prefer B.S. students
- ❑ Most important factors:
 - ✓ GPA , TOEFL and GRE
 - ✓ Publication is not necessary but is an advantage
 - ✓ Projects and abilities

B.S. vs. M.S.

M. S.:

- ❑ Expectation: Good research abilities and publications
- ❑ Recommendations: are very important
- ✓ Recom of Supervisor
- ✓ If you have submitted/under review papers mention in recoms
- ✓ mention all of your abilities
- ✓ does not mention advisor does not give recom
- ✓ avoid weak recoms

B.S. vs. M.S.

M. S.:

- research direction
- Courses: choose beneficial courses
- First author Publication (thesis)
- Technical reports of course projects
- Contact relevant professors
